Creating Community Connections

This project provides scholarships for grassroots and emerging women leaders to access national conferences, workshops and other important educational experiences to learn about community-building innovations; gain greater inspiration, confidence and vision; build a wider grassroots leadership network; and increase their civic leadership.

Creating Community Connections

"I'm inspired to stay at GIAC because everybody treats each other like a family, it's a very welcoming place. I know if I'm having a problem or slipping I can always talk to Ms. McBean. "
