

Child Care

Preschool – Ages 6 weeks to 5

SACC – Ages 6 to 12 (some 4 year olds)

Other – Informal and Recreational Programs

TRENDS

AVAILABILITY of CARE

- Capacity maxed out, but periodic openings
- Sudden Room Closures
- Spacing requirements and outdoor classrooms
- Increase in part time requests;
- Remote workers need child care too

TRENDS

Many families are still suffering financially and have difficulty paying for care.

Children, parents and child care providers face toxic stress

Workforce shortage impacts child care too; Wages are very low

New funding is hard to access

*How are we
adjusting ?*

NEW FINANCING MODEL TESTED (Adopt a Classroom, Intergenerational Campaign to Save Child Care and now Stabilization Funding)

BUSINESS TA increases access to state and federal funds and promotes budgeting accountability

WORKFORCE APPRENTICESHIPS AND MICRO-CREDENTIALING

EXPANDED SCHOLARSHIPS for essential workers

EAP Pilot Project provides six free assessment and counseling sessions to home based providers and their families.
